

Dear Parent or Guardian,

You and your student have demonstrated an interest in participating in the BorderLink Program at Desert Oasis High School or Phoenix Rising High School. The BorderLink Progam provides students with the opportunity to take home a Chromebook to support their learning; and/or receive LTE wireless access at home at no cost. More information can be found at: <u>www.desertoasisnet.net</u>

## Please indicate which service you are (still) interested in:

Allowing my child to take a Chromebook home for school purposes

Providing my child with a MiFi for no-cost wireless access

## If you are still interested, please read through and fill out the following forms, and return them by November 18, 2019.

If the forms are returned on time, we plan to begin issuing devices thereafter.

If you have any additional questions, please reach out to:
